

Indiana

Social Service Block
Grant FY2016

January 2019

Critical Fact:

SSBG provides vital resources in Indiana

Sum of Expenditures for Services in Indiana:

\$42,253,785

Main Resources Utilized Under SSBG:

\$18,117,147 on Special Services for Youth at Risk

\$5,166,772 on Home-Based Services

\$5,049,712 on Case Management

\$3,894,259 on Protective Services for Children

\$1,519,984 on Residential Treatment

\$1,544,884 on Day Care for Adults

Why is SSBG important to Indiana?

Special Services for Youth at Risk

30,386 youth received services through SSBG funding.

Protective Services for Children

In 2016, there were 168,919 total maltreatment referrals. Of those, 126,719 were reported for investigation. In the same year, nearly 29,198 children were victims of abuse or neglect. SSBG funding would provide 42,194 children with protective services.

Residential Treatment

223 children received residential treatment services through SSBG funding.

Case management services are services or activities for the arrangement, coordination, and monitoring of services to meet the needs of individuals and families.

Day care services for adults are those services or activities provided to adults who require care and supervision in a protective setting for a portion of a 24-hour day.

Home based services are those in-home services or activities provided to individuals or families to assist with household or personal care activities that improve or maintain adequate family well-being.
