

Child Welfare

Journal of Policy, Practice, and Program

Launched nearly 100 years ago, this scholarly, bimonthly journal highlights the special problems facing millions of children. *Child Welfare* links the latest findings in child welfare and related research with best practice, policy, and program development into one innovative resource equally indispensable to child welfare and associated professionals. Current readers and subscribers also include university professors, members of the U.S. Congress, child trauma experts, and foster/adoptive parents throughout the country.
