- a Entitlement program—Although included in the annual appropriations bills, funding levels projected and set based on the number of eligible persons, levels will be adjusted throughout fiscal year.
- b Mandatory funding—levels written into law, generally for a five year period. Appropriators unlikely to change levels.
- c Requires a reauthorization by authorizing committees: Senate Finance and House Ways and Means

In most instances the number for FY 2021 reflect the appropriations and does not include additional funds from the various COVID-19 relief measures adopted from February 2020 through March 2021.
