

COMMUNITY CONNECTIONS YOUTH PROJECT®

EASING THE TRANSITION TO ADULTHOOD

FosterAdopt Connect is a resource for young adults who are aging out of the foster care system and entering the adult world. We help connect youth to resources in several areas including housing, higher education, employment, healthcare, finances, social supports, transportation, legal advocacy, and more.

As foster care alumni, our specialists know how to offer a vast array of services that youth need, both before and after leaving care.

MAKING AN IMPACT

SOCIAL SUPPORTS

We invest in connecting young adults to long-lost family members and friends to find those who will come alongside the youth and celebrate with them in life's milestones into adulthood.

EMPLOYMENT

Landing a job is a combination of a professional resume, ability to complete applications, interviewing, and access to quality employment services. We help every step of the way to get that steady paycheck.

BASIC NEEDS

Adulthood can be overwhelming. Our food pantry and clothing closet help young adults meet their most basic needs. We also provide assistance in obtaining a driver's license and navigating legal matters.

HOUSING

Finding permanent housing can be difficult. We assist young adults with HUD applications, apartment hunting, moving, and budgeting.

PHYSICAL/MENTAL HEALTH

We provide assistance in finding a primary care physician, understanding how Medicaid works, and accessing therapy, medical, or pharmaceutical care.

EDUCATION

We help young adults make informed decisions about their higher education goals. We advise on career assessment, ACT prep, trade school enrollment, and financial aid. We even go on college visits!
