

The Work Ahead: Practice, Policy, and Possibility

SPONSOR DECK

National Conference
April 20-22, 2026
Arlington, VA

What is the Child Welfare League of America?

CWLA is the standard-setter for child welfare services; through our direct work with public and private agencies, we improve the quality of services provided to millions of children. Our National Conference brings together leaders from child welfare, mental health, housing, research and education, policy, and other fields for three days of innovation and collaboration.

CWLA's Conference sells out of tickets and exhibit space every year. With over 100 exciting learning opportunities to choose from, we draw a diverse crowd of leaders and changemakers from across the country.

Why Sponsor CWLA's Conference?

Sponsors are recognized on our website and in email marketing (25,000+ subscribers) leading up to the conference, and featured onsite in signage. Sponsors showcase their brand and messaging with full color ads in the conference program and personalized inserts in all conference tote bags.

Sponsorships provide opportunities to connect with attendees on a personal level as exhibitors or as facilitators at events. Contact lists help you stay in touch with attendees after the conference.

Most importantly, sponsoring CWLA demonstrates your continued commitment to creating solutions that ensure all children can grow up in loving families.

Sponsors receive early access to reserve space in the exhibit hall

For the first 8 weeks, only sponsors can book exhibit space. Competition for CWLA's exhibit hall is fierce – last year only a few booths remained by the time general sales opened!

Tier 1 exhibit booths are located under the skylights in the premium exhibit area; Tier 2 booths are in the main hall; Tier 3 booths are along the corridors or secondary exhibit spaces.

Fellow - \$2,000 (~~8 available~~) sold out

Hear from Attendees:

“I loved the spirit and energy that was brought to this conference! Getting to learn from a range of people with various backgrounds was inspiring and thought provoking.”

“The sessions provided useful information applicable to my role with DCF/FSD. I found the speakers really understood the work being done in the field and how to move the work and workforce in a positive direction for the future of child welfare.”

“I always leave inspired!”

“Wonderful audience engagement from speakers; very real, tangible strategies presented.”

“Every session I attended was very informative and impactful. The audience mix of state agency + private organization attendees made for a great experience. I gained a lot from every conversation!”

Sponsorship Matters

Sponsorships are **essential** to our ability to hold conferences.

As always, it's important to us that we build a sponsorship package that suits your unique goals. Feel free to reach out with suggestions or questions.
