Lunch Options

Starting point: 200 Corporate Center Drive, Camp Hill, PA 17011

Most of the closest options are on Erford Road, approximately 1.2-1.3 miles away. Walking is possible but may use most of a short lunch break, so pickup by car or delivery is usually more practical.

- **Order early.** If the training has a fixed lunch break, submit your order before the break whenever the restaurant allows scheduled or advance ordering.
- **Walking is not ideal for a short break.** The closest verified options are roughly a 25-minute walk each way. Driving or delivery is more practical for most training schedules.
- **Ordering from a delivery platform.** Delivery-platform (DoorDash, Grubhub, or Uber Eats) prices may be higher than restaurant-direct pickup prices, with added service, delivery and tip charges, but there may be more options available.
- **Allow extra time for lunch traffic.** Drive times are estimates under typical conditions. Plan for a few additional minutes during the lunch hour, especially around busy intersections, shopping centers, and restaurant drive-thrus.
